SKOT-YASE '75

Bernie,
Well I really don't know how to start to tell you how much I care about you. You have meant so much to me. I have just read what you have wrote me. It would mean so much to me if you would come and see me in the summer because I have missed you so much. I wish I could relive all the times I have spent with you. Going with Pam for 2½ yrs have really screwed up my friendships with everyone and especially with you which really hurts. Bernie I love you more than any other person I know. You are one of a kind. I hope that our friendship will never end. I hope that you are always there like you have been in the past. Don't worry I will keep in touch. Just tell me where you are and I will be there with a letter, a telephone call, or in person. At least I have one fantastic thing of yours your name, and having that means more to me than any other thing I own. I will never forget your beautiful smile or face. In the past I have really given you the screw job but maybe I can make-up for it in the future. Bern good luck in college and I hope that you are happy there. If you aren't just call and maybe I can do something about it. When

you come home from school drop by because I will always be there. Maybe I will see you in the "Red Pepper Inn". Well all I can say is that I love you and you mean the world to me. So please stay in touch and I hope you find happiness & success where ever you go because you deserve everything you want out of life. So stay out of trouble and take care of yourself because if anything ever happened to you I don't know what I would do. Take care and be happy.

I Love You,
Tina

Bernie,
here's to the greatest
guy I know in this
darn school! I'm really
gonna miss ya a lot since
you'll be gone and I'll be
here - probably at the Red
Barn! ha! Well, we can't ever forget
all the good times especially that
nite on that dark road and the
car broke down. Also going fishing
and of course the jr. prom when you
went back to Julie. That was really
bad. We were out of it! But we
were really meant as friends and
I hope you never forget me cuz
I know I'll never ever forget you O.K.
Good luck with the girls and I hope
you get a good one and settle
down cuz you deserve it
Keep in touch!
God Bless
Love ya lots,
Pattie

Bernie,

I can't believe it. My hands are still shaking from taking that regents. No shit! Boy am I gonna miss you Bern. These four years have really been great, considering all the shit that has happened to us. Right? I'll never forget our freshmen year - that was the best. Can you believe we're actually going to (maybe) graduate. We've done so many things together and had so many talks. What the hell am I gonna do without you? Remember "Jimmy's party" - how could anyone forget! All the times with Dana Paul, Tom, Dan, the camaro, Juniors, partying, Dana's house Vacca's house, my house (New years Eve!) But we'll keep partying I know that. Esp. graduation day! (If we make it) See 'round Bern and I miss you all the luck and happiness in the world, because you deserve it! I love you for my best buddy and I always will. So take it easy, have fun and be cool. You're a great kid and friend and I'll never, ever forget you. So I'll see ya at Alfie ok! Take it easy and never change! God Bless

P.S See ya this summer! (at the Pepper)

Love always,

It is with deep regret that we, the Class of 1975, realize we must leave Waterloo Central School forever. While in school, we have derived a great deal of pleasure from our friendships with other students, our associations with teachers, our participation in class activities and our membership in various organizations.

Since Waterloo Central will always remain in our minds and hearts as a symbol of happy, carefree moments, which we wish to cherish always, we are publishing this Skoi-Yase to keep alive memories of our school days. We hope that from it, future students will get an idea of what pleasures they have in store. For our teachers, we wish it to be a tribute to the work they have done. The invaluable education they have given us will enable us to be better citizens in this chaotic world.

To Mrs. Johnson and Mr. Toombs, our Skoi-Yase advisors, we wish to extend heartfelt thanks; for without their patience and much appreciated guidance, this Skoi-Yase could never have been completed.

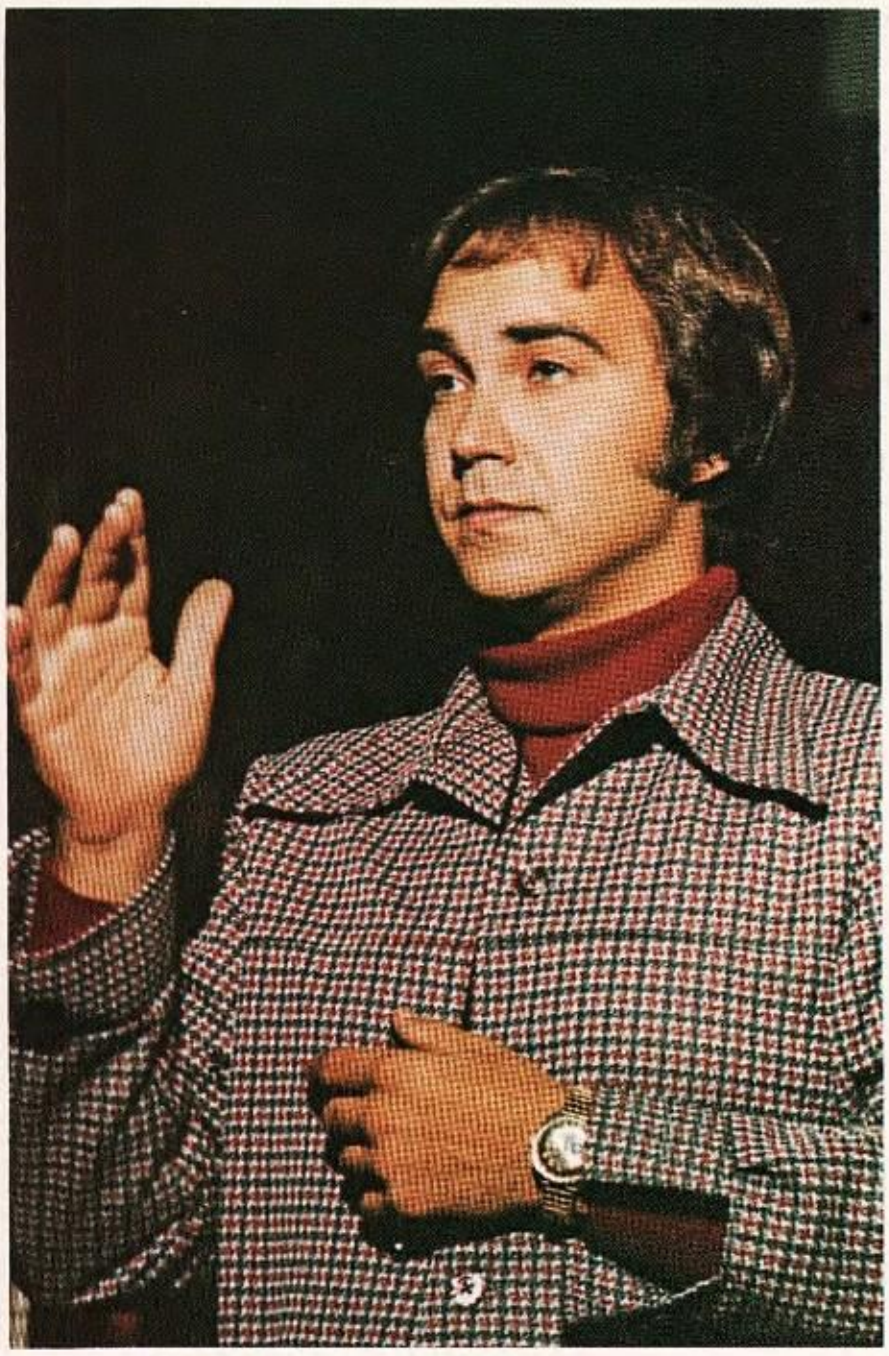
Dedication

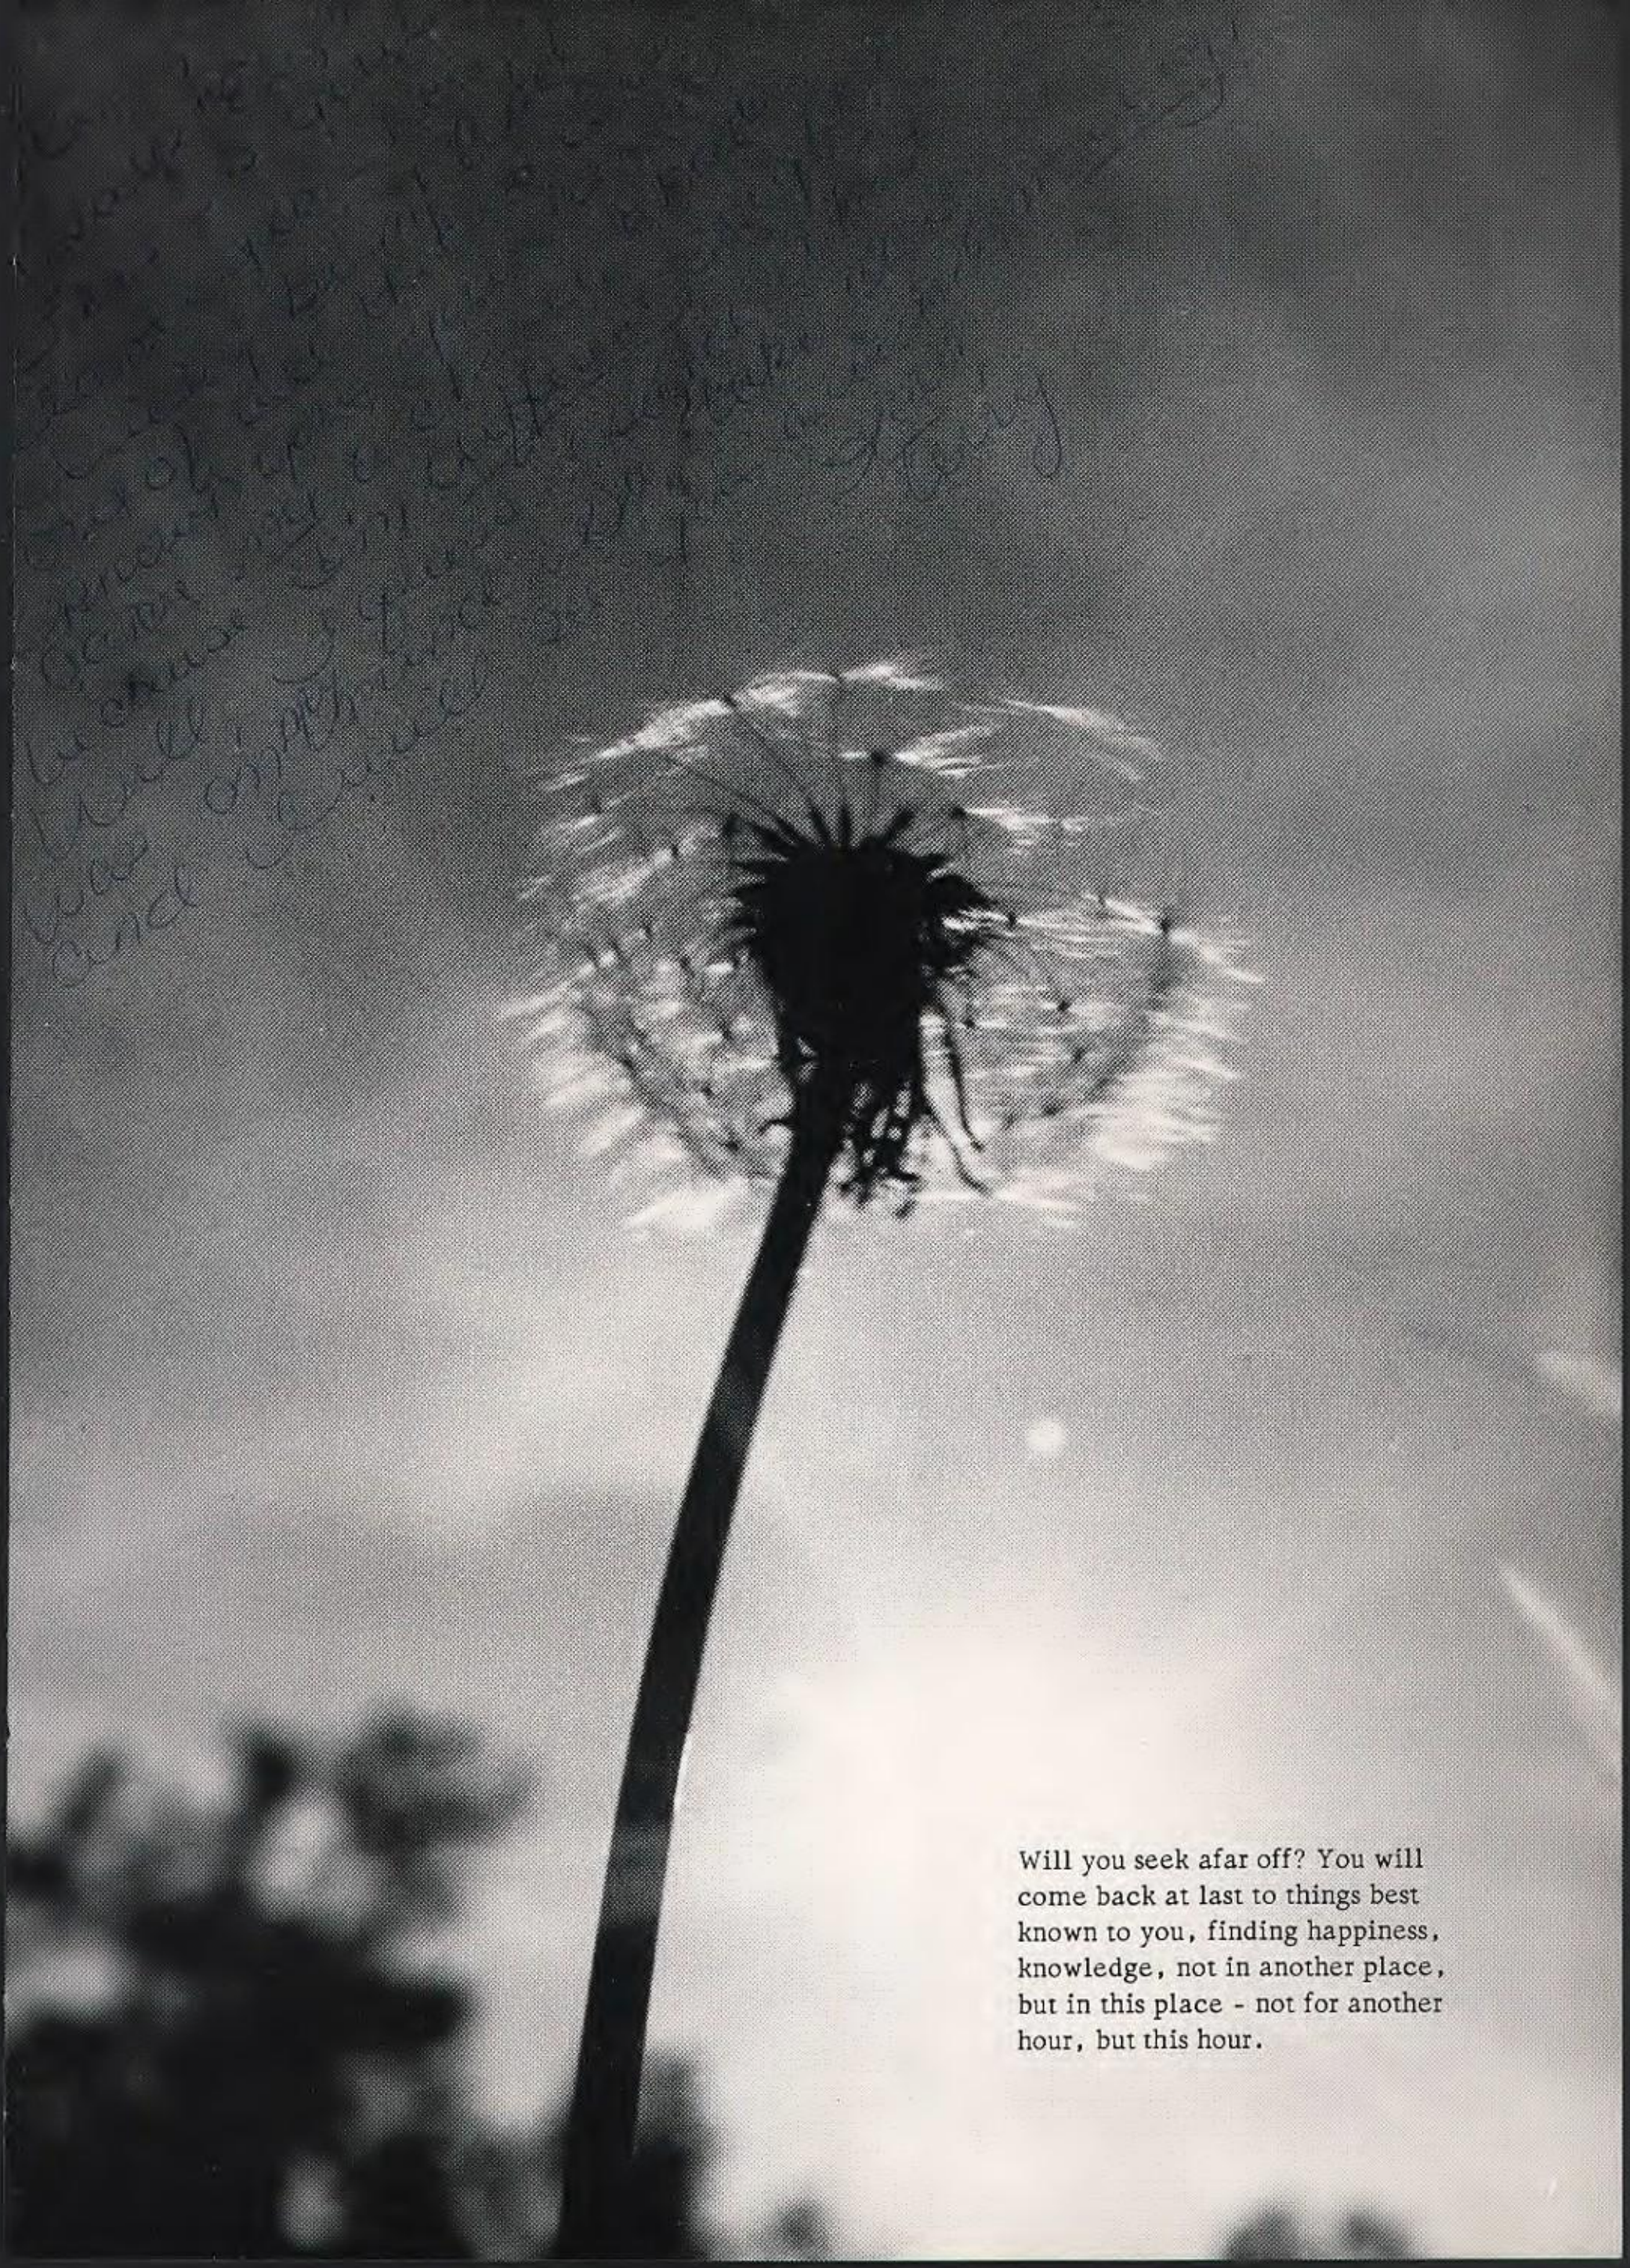


Mr. William Boyes

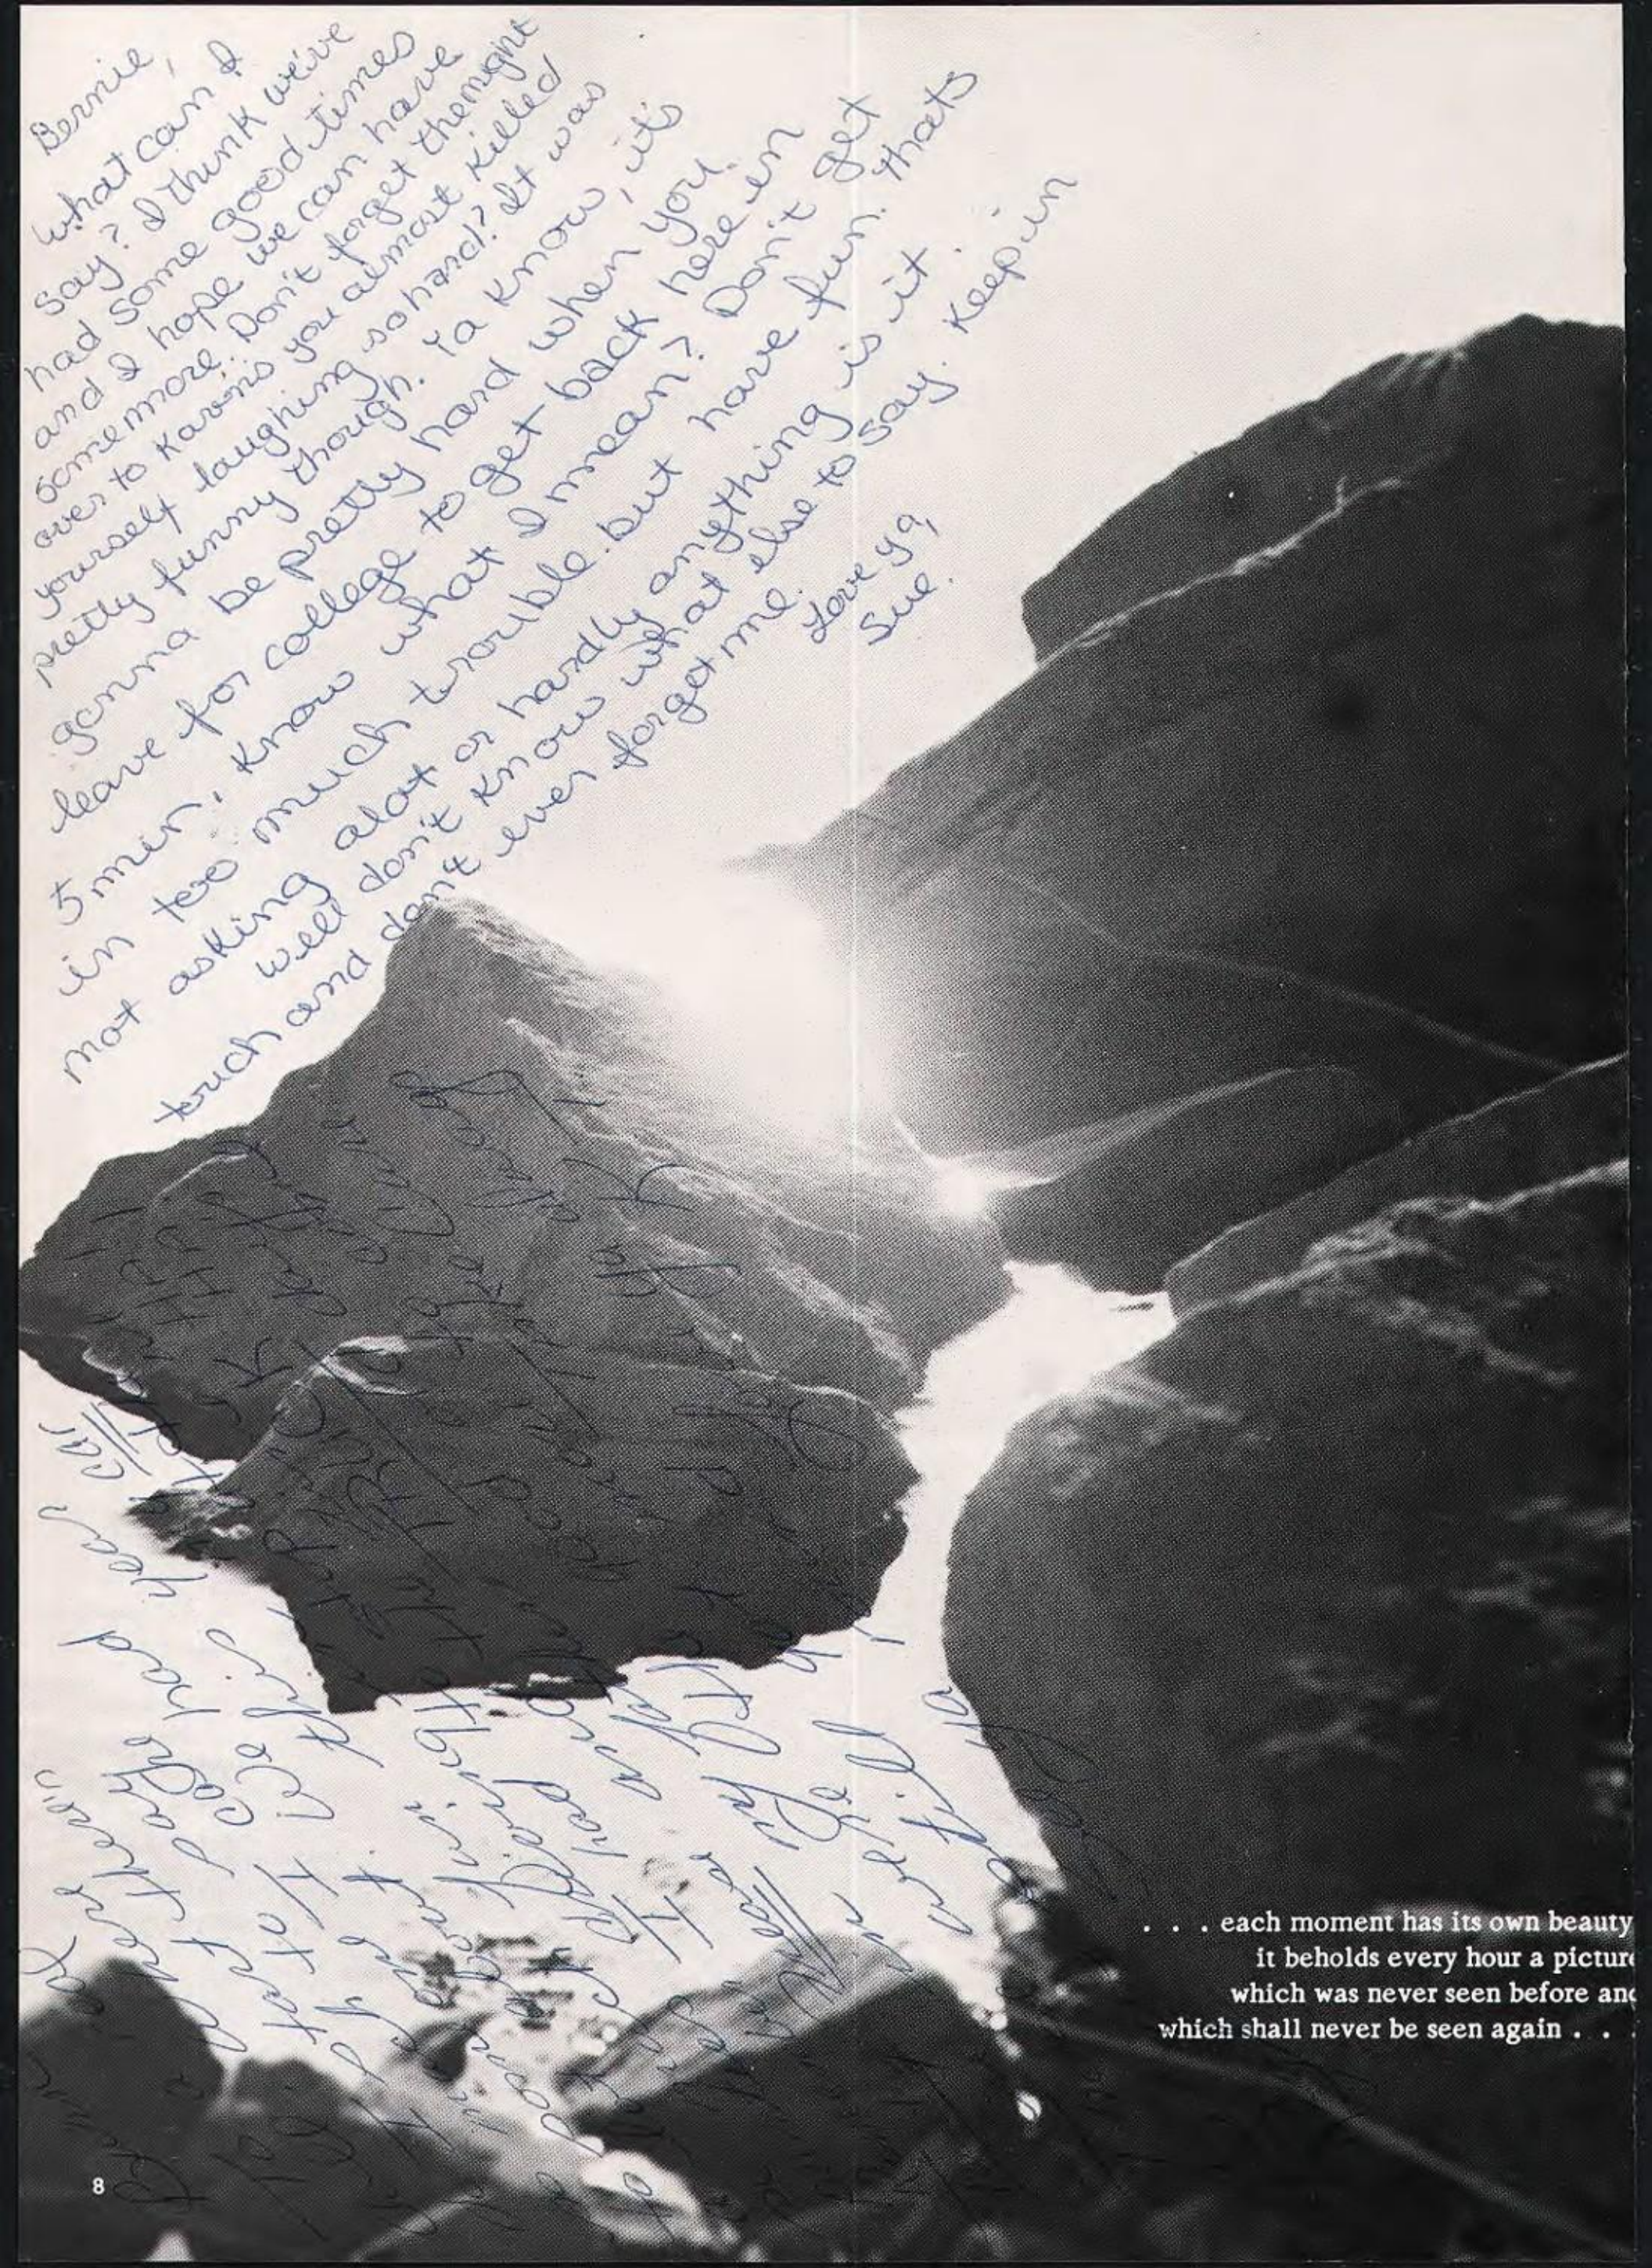
Mrs. Connie Sturm

To our faithful advisors, Mrs. Connie Sturm and Mr. William Boyes; we the class of 1975, dedicate our memory-filled yearbook as a symbol of our love, honor, respect, and appreciation for the four years of hard work and unselfish devotion you have contributed to our class.

Sunrise, Sunset. Sunrise, Sunset.
Swiftly flow the days.
Seedlings turn overnight to sunflowers
Blossoming even as we gaze.
Sunrise, Sunset. Sunrise, Sunset.
Swiftly fly the years.
One season following another.
Laden with happiness and peace.



Will you seek afar off? You will come back at last to things best known to you, finding happiness, knowledge, not in another place, but in this place - not for another hour, but this hour.



Bernie,
What can I
say? I think we've
had some good times
and I hope we can have
some more. Don't forget them
over to Karen's you almost killed
yourself laughing so hard! It was
pretty funny though. Ya know, it's
gonna be pretty hard when you
leave for college to get back
in too much trouble. but
not asking alot or hardly anything is it.
well don't know what else to say. keep in
touch and don't ever forget me.
love ya,
Sue.
. . . each moment has its own beauty
it beholds every hour a pictur
which was never seen before an
which shall never be seen again . . .

Class Of 75!
Our Officers And History

Mr. Boyes, P. Marshall
E. Lincoln, J. Spiwak,
E. Sigrist, Mrs. Sturm

As Freshmen we entered good 'ole Claude C. The first freshman class since '63. Our advisors, one pretty, one with deep voice, were Mrs. Sturm and Mr. Boyes. Officers who helped us reach our goal were Kathy Andrews (Pres.), Andy Franceschi (V-P), Mark Dunn (Treas.), and Nancy Cole (Sec.). Our class project was selling Christmas cards. They conveyed seasons' greetings with warmest regards. Homecoming was really keen. Deb Sanford was our class queen. Our dance theme was "We've Only Just Begun." The beginning of four years of fun and more to come.

Our Sophomore year started in full flight. Officers being Kathy Andrews (Pres.), Ellie Sigrist (Sec.), Pat Smith (Treas.), and Gail White (V-P). This year's class project was selling candy. We sold a lot and the money came in handy. Class homecoming queen was Cindy Fisher. And good luck, we really did wish her. The class dance was "Pieces of April" music by Nu Sound. Half of our time in Claude C. was off the ground.

Our Junior year got off on the right track with newly elected officers. Nancy Cole (Pres.), Kathy Snook (V-P), Mary Jones (Treas.), and (Sec.) Jane Spiwak. The big money making project was selling magazines. You can use them for anything, ever cleaning latrines. We surpassed the previous class and sold $4,702. Next years class will probably do the same too. At homecoming, class queen was Pat Campbell. Taking second place, our whale of a float did well. The highlight of the year was the Junior Prom, when "Alice in Wonderland" came to town.

As Seniors, graduation was something to look forward to. And have a good time all year was what we planned to do. Officers were Ellie Sigrist (V-P), Paula Marshall (Sec.), Jane Spiwak (Treas.) and (Pres.) Ed Lincoln. They set the pace with all their good thinking. At homecoming Deb Fletcher was class queen. Our first place float, Showboat, made things supreme. Our hopes were that the Senior Ball would be an event to top them all. And so we say a tearful good-bye to 'ole Claude C. Keeping those fond memories that will ever be.

Homecoming was truly a success this year. Our football team aced Pal-Mac 34-0. This year's theme dealt with Broadway musicals. The Senior class' intricate representation of the musical "Showboat" took first place and the Junior class' comical "A Girl in My Soup" took second. The highlight of the evening was the crowning of Homecoming Queen, Kathy McLaughlin.

La causa principal que me impulsó venir aquí fué la de querer aprender perfectamente el idioma inglés, pues considero que es muy necesario y lo necesito para mis próximos estudios profesionales.

También vine para poder conocer mejor la geografía, la historia, las costumbres, etc. y sobre todo para conocer muchísima gente.

Considero que tuve buena suerte de que me haya tocado conocer todo lo que hasta ahora he visto y aunque extraño mucho mi país y mi familia, creo que se sobrepone con lo que estoy haciendo.

Los Estados Unidos es un país que siempre me ha gustado mucho al igual que Waterloo que es un pueblo que tiene cosas muy bonitas: las calles, el canal, la escuela, las muchachas, y toda la gente.

Lógicamente las costumbres son un poco diferentes pero me he podido ajustar muy bien, todo hasta ahora me a gustado mucho y creo que estoy viviendo una buena experiencia que no voy a olvidar nunca.

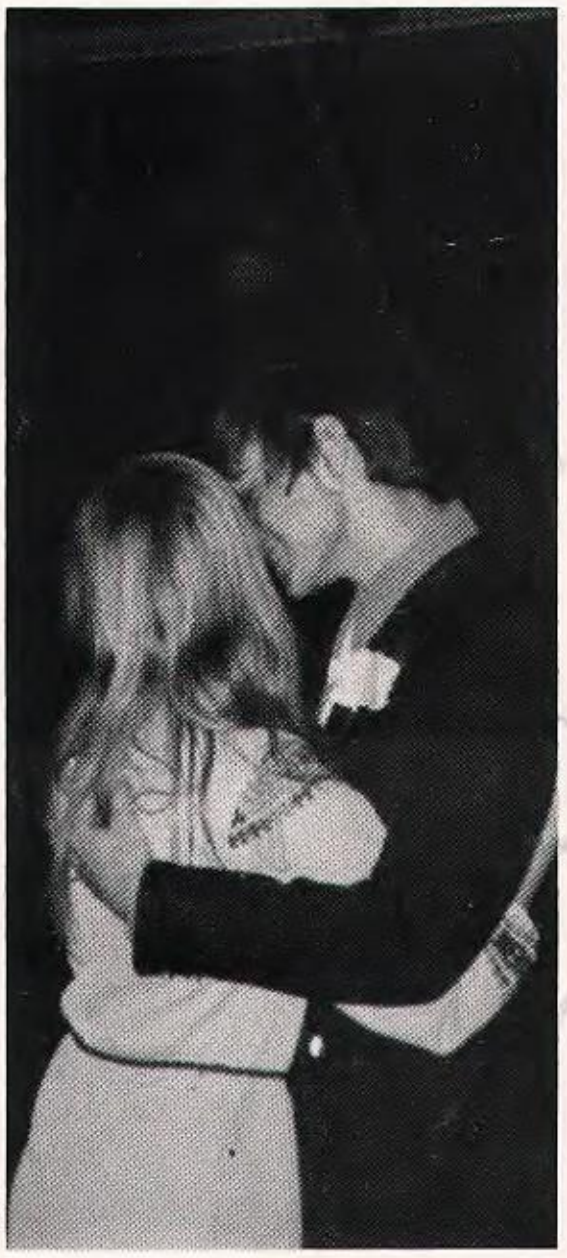
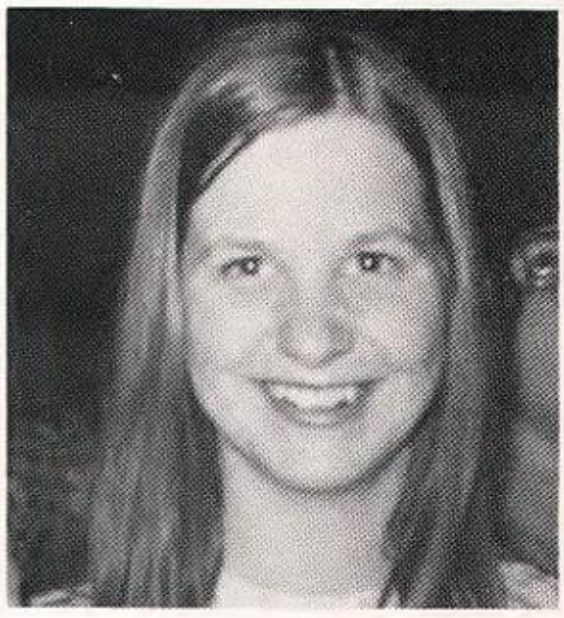
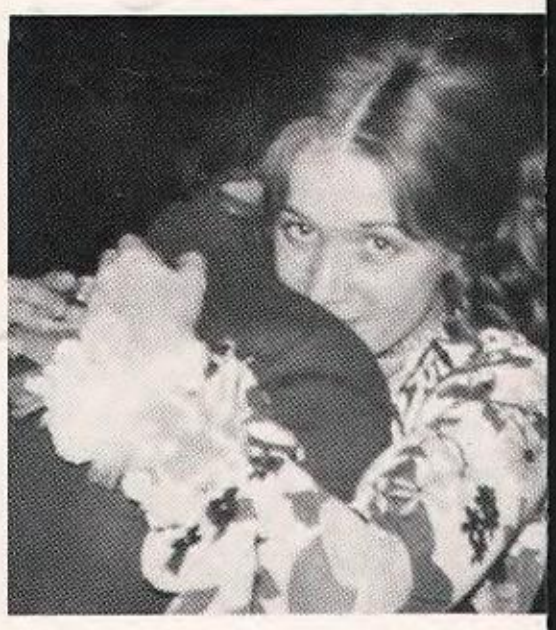
Highlights

Freshman Dance

Music furnished by Rhode, gaily colored balloons, streamers, and huge tissue flowers, set the mood for the evening of March 18, 1972. The Class of '75 presented their Freshman Dance "We've Only Just Begun."







JUST

Pieces Of April

On March 31, 1973, the Class of '75 presented "Pieces of April." Giant raindrops, picket fences, an old fashioned gazebo, and a sparkling pond completed the scene. Music was provided by The Nu Sound.

Wonderland

On the evening of May fourth nineteen hundred and seventy-four, "Alice in Wonderland" was brought to the gymnasium of Claude C.

A giant top hat, a talking garden, mushrooms and "bread and butterflies" were just a few of the attractions. What more could add to the scenes of Wonderland! The Mark VI provided the music making. Mistress of Ceremonies was Mrs. Dunn, who added the final touches at midnight.

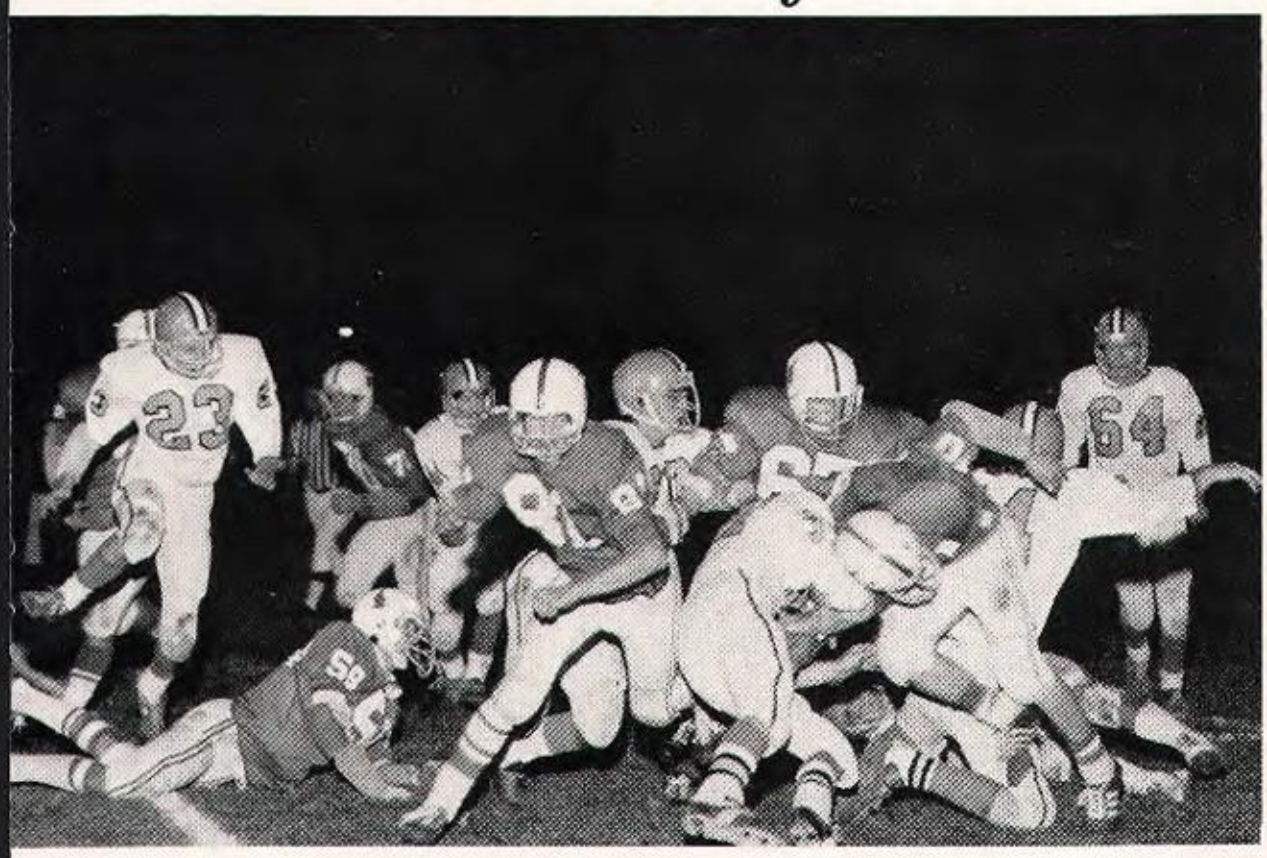
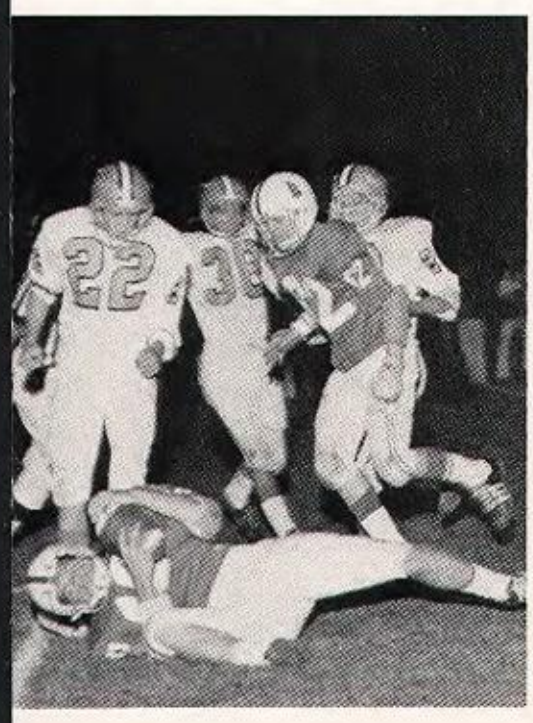
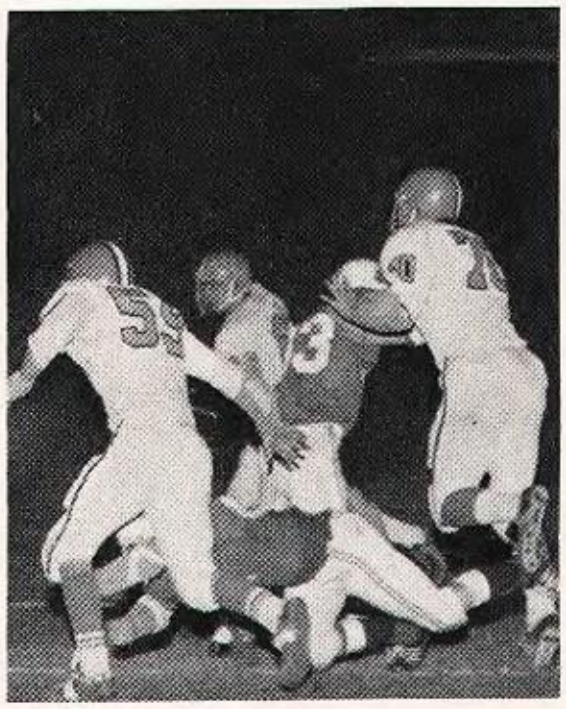
An Undefeated Season







There is not much to say about a team that won it all. An undefeated season and a division championship speak for themselves. The offense was led by the brilliant play of Rick Wantuck, and the slashing running of Dan Maher, until he was injured. The defense was anchored by the play of Dan Fegley, Ron Morganti, and Rich Murney. Also helping out in both departments were Jim Millis, Chris Shaffer, John Bertino and Steve Wadhams. Steve Mueller showed promise as a sophomore halfback, and carried his share of the load. Andy Franceschi and Ralph Ellison usually wound up on the end of a long pass gain. Next year's team should be a good one with the return of Steve Breese, Bart Pace, Mueller Shaffer, Millis, Bertino, Wadhams, and Ted French who showed great potential filling in for Dan Maher.

The J.V.'S ended a tough season with a record of 2 - 5 - 1. Although their record does not show it, the team always put out a super effort to win. Next year with a number of guys returning, the J.V.'s should be greatly improved.

Under the leadership of new coach Janice Ivers, the Girls' Soccer Team had its first winning season with a record of 4 - 3 - 3. The offensive charge was led by Monica Bertino, Ellie Sigrist, and Cindy Dawley. Defensively, goalie Joy Nelson kept the opponent's score at a minimum. The girls also had a chance to be in the sectionals, but they were defeated in a play-off game with H. Falls-Lima 2 - 1. Next year's team should be even better with many of the team members returning.

Surprising is the only word used to describe the Varsity Basketball team. Considered a dark horse at the start of the season, the team proved themselves by tying for second place in the WFL East. With a record of 13 wins and 5 losses, they captured the second seed in the sectionals. Led by the scoring of Ed Lincoln and Mark Dunn, the playmaking of Jim Benedicks, and the rebounding of Dave Curle and Paul Barnes, the Indians were indeed Alive In '75.

Under new head coach Wendy Cavenough, the girl's basketball team is having another super year. Their present record is 7-3 with two games remaining. They should attend the sectionals and try their best to bring home a title.

Girl's Volleyball

SITTING: C. Bachman, L. Pfieffer, M. Bertino, K. Mueller. KNEELING: K. Stone, M. Crow, P. Doverspike (mgrs). STANDING: J. DiLorenzo, A. Tosado, J. Qualtieri, B. Jensen, B. DeSio, N. Allison, S. Causemaker

This year's volleyball team finished with a record of 11-5. This was good enough for a fourth place finish in their division. Sandy Causemaker and Jill Qualtieri were the team's top servers. Monica Bertino helped out defensively with spikes and saves. Next year's team should be even better with all six starters returning.

MEN - WOMEN

Let the Army help you with college.

Last year, 90,000 young people like yourself earned college credits in the Army.

They attended classes on post. They studied at nearby colleges and universities. And they took courses through our various correspondence programs. And the Army paid for 75% of their tuition costs.

Our educational benefits are in addition to the job training you'll receive, the salary you'll earn, and the travel opportunities you'll have.

If you'd like to find out more about all the educational benefits the Army has to offer, call your local Army Representative.

SHOULD YOU GO TO GOULD'S AFTER HIGH SCHOOL . . . AFTER COLLEGE?

Since 1874, time of the above engraving, more young men in Waterloo probably graduated to Goulds than graduated from high school. Fortunately, for both education and Goulds, things have changed. Both have grown enormously. Today the opportunities for education, both high school and college, are greater than ever before. The demands on the students, however, are growing more intense. There is more competition. Same with pump companies. Some keep growing, others are drop-outs. Back in 1874, for example, there were four other pump companies in Seneca Falls. They're all long gone. We have some competitors, today, who are on shaky ground. They haven't done their homework, i.e., no new products, new approaches to markets, etc. Success in schooling, success in pump manufacturing; both are the product of determined, skilled, enlightened people. We have them at Goulds Pumps, Inc., and we're proud that a great number of our key people are Waterloo Central graduates. Many are those who have gone on to college and then returned to Waterloo and to Goulds. These illustrations show the change in Goulds plant facilities in the past 90 years. But Goulds is moving faster than that. In the past 10 years sales have more than doubled. To keep growing we need more good people to grow with. Consider Goulds as a good place to work after high school or college.

For the first time in Waterloo, a Greaser Day was sponsored by the Student Council. Everyone who participated dressed in the costumes of the 1950's. A contest was held for best male and female greaser. Steve Shrey and Sue Tenny were the winners. The day was enjoyed by all.

Have fun this summer and get as fucked up as possible for graduation (if we graduate!) See you at a lot of the parties and probably Juniors. Keep in touch. Stay well. ~~Randee~~ Remember: "LOVE MAKES THE WORLD GO ROUND, DOPE MAKES IT SPIN."

Thank You

NO ONE EVER CAN KNOW A TRULY DEDICATED PERSON UNTIL HE HAS THE OPPORTUNITY TO WORK WITH HIM.

WE, THE STAFF OF THE 1975 SKOI-YASE YEARBOOK, HAVE BEEN FORTUNATE ENOUGH TO BE ASSOCIATED WITH SUCH A PERSON. FOR THIS REASON, WE WANT TO EXPRESS OUR GRATITUDE TO MRS. JOHNSON FOR THE GUIDANCE AND UNDERSTANDING SHE HAS SHOWN US.

Bernie,

Well its been really great this year as far as partying goes. Remember the "Window Paine" that was around. It seemed like everyone got pretty fucked up. Remember when we all we tripping in the Stop and the pigs came over and looked at us. You couldn't stop bouncing your head. Schwartz was really a pain in the ass— "I will not be late for H.R."

Bernie,

Well what can I say to a really great friend and great person. Boy we had a lot of wacky times this year especially with those two chicks. I'll never forget the time we got lost on that back road and you were so scared you didn't know what to do especially when you saw that corp. I just want to thank you for all the good times you showed me and with all the advice you gave me about Kathy. Boy I have to agree with you those chicks were a pain alot of times but we had a good time with them and it was worth it. There's so many good times that I've had with you that I couldn't put them all in this booth. But I know there'll be alot more this year (summer). So get ready. I hope you make it at what ever you do. want and I know you will stop up to Cortland next year and we'll do some more skiing. Keep in touch always. God Bless.

A-FA

Dan.

Bernie

What can i say to a canadian guy like you. I will never forget the good old days at St. Mary's I even saved you back there. Remember our trip to Canada. We were all raiders. Don't forget all of the parties at Emma's Buff's etc. You always get so drunk but you are really funny. Well take care & see ya over the summer

Love

Sue

Skag master, RESERVED (E.&B.)

Well high. Were the hell do I start we've had alot of fun this year especially 6th period. I still want my rings that you ripped off not to long ago. Well I'm getting sick and tired of your shit. Remember all the parties at the House and every time you would do some weird talking after you got drunk on your ass. You see Bernie I like to bust yours your a really rowdy boy and I like the way you are so don't change you little shit. When you do I'll be the first one to know. We've got alot of parties to celebrate in August and when we do party of our 18th birthdays I just might take you up on your chugging contest. Hope to see you over the summer and Bernie Stay out of trouble.

Love always,
Emma
